DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claims 1 and 6 are allowed. The prior art discloses a packet data communications network between two or more users connected from one Serving GPRS Support Node (SGSN) through a network database and then reconnected to another user via another Serving GPRS Support Node.

The prior art fails to disclose or suggest establishing communication connection between the first and the second user equipment via a direct connection between the first SGSN node serving the first UE and second SGSN node serving the second UE.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Raj Jain whose telephone number is 571-272-3145. The examiner can normally be reached on M-F.
